EDUCATION

- **Bengal College of Engineering & Technology** Durgapur, West Bengal
Bachelor of Technology in Computer Science and Engineering
Aug. 2023 – Dec. 2027
- **Delhi Public School** Bokaro Steel City, Jharkhand
Senior Secondary Education, X & XII, CBSE
Aug. 2021 – July 2023

EXPERIENCE

- **Eduskills Academy, AICTE** Durgapur, WB – Remote
Java Full Stack Developer
Jan. 2026 – Mar. 2026
 - **Java Full Stack Development:** Completed a 10-week virtual internship focused on Java full stack development.
 - **Technical Training:** Studied full stack development concepts including HTML, CSS, Bootstrap, Java, Hibernate, and related technologies through a structured weekly curriculum.
- **Steel Authority of India Limited** Bokaro Steel City, Jharkhand – On-site
Vocational Trainee
June 2025 – July 2025
 - **Python and Machine Learning:** Worked with Python and machine learning concepts, including image processing and directory organization.
 - **Machine Learning Models:** Worked with the Iris and Titanic datasets to train, test, and evaluate machine learning models.

PROJECTS

- **FASHNOVA – AI-Powered Fashion Intelligence Platform:** Currently in development. Combines Computer Vision, Machine Learning, Generative AI, and personalized recommendation systems to understand fashion, analyze trends, generate creative concepts, and provide intelligent style recommendations. **GitHub:** FASHNOVA
- **Sakhi – Women Empowerment Platform:** A women-centric digital platform designed to provide safety, career opportunities, entrepreneurship support, and knowledge resources in one accessible ecosystem. **GitHub:** Sakhi
- **Python – Machine Learning Laboratory Suite:** A collection of machine learning projects implementing supervised learning algorithms, model evaluation, and data analysis using Python and Scikit-learn. **GitHub:** ML Laboratory Suite

TECHNICAL STACK

- **Languages:** HTML, CSS, JavaScript, TypeScript, Java, Python
- **AI / ML:** Machine Learning, EDA, Data Preprocessing, KNN, SVM, Decision Tree, Logistic Regression, Random Forest
- **Technologies & Tools:** GitHub, Vercel, Pillow, Shutil, OS

CERTIFICATIONS AND ACHIEVEMENTS

- **Hackathon:** Participated in a 24-hour techfest hackathon organized by BIT Mesra, Ranchi, where I worked on a smart traffic management system prototype.
- **Leadership:** Event Management Head of the Robonix Club at BCET, leading teams for large-scale technical events.
- **Certification:** Earned German language certification from Goethe-Institut, Kolkata – Level A1 (2018).
- **Achievement:** Participated in the 78th Independence Day ceremonial parade conducted at college.
