<https://github.com/PDisha-01>

Summary

Computer Science Engineering student with hands-on experience in full stack development, Python, machine learning, REST concepts, responsive UI development, and data structures and algorithms. Seeking software development, full stack, or AI/ML internship and entry-level opportunities.

Education

Bengal College of Engineering and Technology (BCET), Durgapur **August 2023 - August 2027**
Bachelor of Technology in Computer Science and Engineering **7.48**

Delhi Public School, Bokaro Steel City **July 2021 - March 2023**
Senior Secondary Education (Class X to XII), CBSE **90%**

Experience

Robonixx BCET – *Event Management Head* | Durgapur **August 2026 – Present**

- Lead large-scale teams with a focus on effective execution and event outcomes.

EduSkills Academy – *Java Full Stack Developer* | Durgapur **January 2026 – March 2026**

- Completed a 10-week virtual internship focused on Java full stack development
- Developed web applications using HTML, CSS, and Java; learned backend integration, REST concepts, and responsive UI development.

Steel Authority of India Limited – *Vocational Trainee* | Bokaro Steel City **June 2025 – July 2025**

- Worked on Python and machine learning projects including image processing, directory organization, and Iris/Titanic dataset modeling.
- Covered EDA, preprocessing, model selection, training, evaluation, and accuracy comparison.

Projects

Personal Portfolio – *React.js* | HTML | CSS | JAVASCRIPT | *GitHub*

- Designed and developed a responsive personal portfolio showcasing projects, technical skills, experience, certifications, testimonials, and contact information. Built with React, JavaScript, HTML, and CSS with responsive layouts, animations, project-detail pages, and interactive navigation.

SAIL ML Laboratory – *Python* | Pillow | OS/Shutil | *GitHub*

- Built practical modules for image processing with Pillow, file organization with OS/Shutil, and supervised learning with Iris and Titanic datasets; performed preprocessing, model training, evaluation, and accuracy comparison.

Certifications & Achievements

- Goethe-Zertifikat A1:** Fit in Deutsch 1
- Accenture Compiler Quest Quiz
- HP LIFE Effective Leadership.
- Google Analytics:** Certification.

Relevant Coursework

Data Structures and Algorithms (DSA), Database Management System (DBMS), Operating Systems (OS), Data Visualization using Python, OOPS concept, Web Development , C/C++

Technical Skills

Languages: Python, Core Java, JavaScript

Web Development: HTML, CSS, Bootstrap, jQuery, Spring, Spring Boot, REST

AI / ML: Machine Learning, EDA, Data Preprocessing, KNN, SVM, Decision Tree, Logistic Regression, Random Forest

Tools / Libraries: Git, GitHub, Pillow, OS, Shutil

Extra Curricular

Event Coordinator, Robonixx Club

Coordinator, NSS Club
